

Museum Manners

Ellis County Historical Society

785-628-2624

Please review the following guidelines with your students before arriving at the museum so that they may enjoy and learn during their visit:

- Pencils only for writing in the galleries. ECHS can provide pencils and clipboards as requested.
- No food, drinks, or chewing gum in the galleries. Sack lunches may be eaten on our grounds in designated areas, but may not be brought into exhibit areas.
- Walking only in the galleries. Running and jumping can cause accidents that can affect object displays.
- Use inside voices in the galleries. We want you to discuss and laugh, just not so loud that it would disturb other gallery visitors!
- Be ready to answer and ask good questions!
